15 Splurge-Worthy Burgers Across America

What better way to blow your tax refund than on a ritzy burger? Below are 15 of the most extravagant options in the land - complete all the reason that they are worth way more than your average fast food patty. Which ones will you try? Tell us in the comments.

San Francisco: Epic Roasthouse

[Epic Roasthouse](#) will put a half Maine lobster on top of a Wagyu beef burger if you ask nicely (and also pay \$40). The world class view of the Bay Bridge is a great accompaniment.
